# Autism Awareness

October 2014

Welcome!!!

Each year, I host a **Fundraiser** to collect monies which provide educational equipment and learning supplies to assist children diagnosed with Autism. For the past 10+ years I've come to rely on YOU to help me accomplish my goals. The significant challenges families, schools and communities endure is heart rendering. I hope that with your generous financial support, together we can help make a difference in the lives of these precious children.

Our raffle features beautiful baskets filled with all kinds of goodies! Raffle tickets will be sold for \$1.00 each. If you buy 10 tickets you will receive 1 special Grand Prize drawing ticket. The Grand Prize ticket is unique in that only those who bought 10 tickets are eligible to participate in this special drawing.

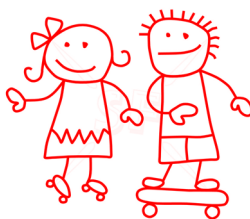

Each basket will be raffled off separately, simply place your ticket in the envelope attached to the basket that you hope to win! Please know that this is a fundraiser and that 100% of the proceeds I collect from this raffle will be used for the Autism Program. ❤️ Rumana
